## SHORT RESUME DETAILS

---

Greetings! I'M Aishwarya Reddy, A Female Student At Cbit College In Hyderabad, India, Pursuing A Bachelor'S In Computer Science Engineering.

My Passion Lies In Frontend Frameworks, Python, And Data Structures. I'Ve Applied My Skills In Projects Using React, Html, Css, And Mongodb, Gaining Valuable Real-World Experience.

My Expertise In Python, Html, Css, React, And Mongodb Has Refined My Technical Abilities And Sparked An Insatiable Thirst For Data Structures And Operating Systems. Aside From Coding, I Adopt A Holistic Lifestyle, Indulging In Energetic Badminton Matches, Navigating The Virtual Realm Of The Internet, And Savoring The Captivation Of Netflix Binges. As The Ceo And Founder Of Codes And Bytes, I Am Driven To Transcend The Limits Of Frontend Development. Let'S Embark On A Collaborative Journey And Unlock Endless Possibilities Together!
